About

The skill development center is an umbrella to develop abilities and specific skills, support the talent development of stakeholders of KBC North Maharashtra University. The students are offered with high degree of soft skill, professional, talent, ability, technical and creativity enhancing competences which are relevant and necessary to succeed in Industry and Society.

Mission:

Empowering Individuals, Transforming Communities: To be the catalyst for personal and societal growth by cultivating essential skills & knowledge to the Students by providing comprehensive, innovative, and accessible skill development programs that inspire lifelong learning, foster self-confidence and bridge the gap between dreams and reality.

Vision:

To offer quality education and training that empowers individuals with the knowledge, skills, expertise and confidence to thrive in their chosen careers. The center is dedicated to foster a culture of continuous learning, innovation and inclusivity, while actively collaborating with industry partners and stakeholders to bridge the gap between education and employment. Our goal is to help individuals from diverse backgrounds to realize their potential, build sustainable livelihoods and contribute to the socio-economic development of their communities and beyond.
