Those students who have appeared for Re-Examination of HSC in 2018 and now want to Register through NON-CAP Admission for Engineering, first candidate need to select New Registration and after completing the Registration Form the candidate has to Verify at FC. [NOTE – Re-Examination of HSC 2018 passing data is not updated in the System, such candidate will enter the passing Year as 2017 and enter the Updated marks after Re-Examination Manually while filling the registration form and while Verifying at FC the passing Year Need to be Changed to 2018 from FC login and verify it.]
