**13. Strengths & Weaknesses of the institution in terms of Teaching Methodology/Transaction of Syllabus /Innovations /best practices (if any)/ industrial project / Industrial consultancy / research taken up for industry and amount granted thereby:**

The Department of Management Studies, being the University Department enjoys unique position in the university circle. The Department is having good infrastructural facilities, qualified & experienced teaching staff. The Department is supported by industry and its alumni.

It is observed that the syllabus is as per the requirement of the job market. It is revised once in five years. If required, new courses as well as new topics are introduced in between.

The staff uses latest technology for teaching and combines theory with practice while teaching. The students are evaluated throughout the year through internal exams, assignments, projects and presentations etc.

For last two years the Department is conducting National seminar. This year the seminar was sponsored by AICTE, New Delhi.

The Department has signed MOU with a foreign university, i.e. CETYS, Mexico. One Foreign student is pursuing his Ph.D. in the Department & One has been awarded.

Being situated in a rural and some what tribal belt, the Department is having limited exposure to the industry. However, the Department is striving hard to overcome this weakness.
