INDEPENDENT AUDITORS' REPORT

TO,
The Management Council,
Kavayitri Bahinabai Chaudhari,
North Maharashtra University,
Jalgaon - 425001.

We have audited the accompanying financial statements of **KAVAYITRI BAHINABAI CHAUDHARI NORTH MAHARASHTRA UNIVERSITY** which comprise the Balance Sheet as at March 31, 2022 and the Income and Expenditure Account for the year ended on that date, and a summary of significant accounting policies.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and the Income and Expenditure Account for the year ended on that date, and a summary of significant accounting policies.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the University in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Maharashtra Public Universities Act, 2016 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

So far as it appears from our scrutiny of books of account and other records, the University has not complied with the following Standard / Rules & Regulations: We draw your attention to the following points: -

- 1) Preparation and presentation of Financial Statements:** The University is responsible for the preparation and presentation of financial statements in accordance with Generally Accepted Accounting Principles (GAAP). However, University has not given effect to the following Accounting Standards: -
 - i) AS 7 "Construction Contracts":** The purpose of this Accounting Standard (AS) is to specify the accounting treatment of revenue and costs associated with construction contracts. Such revenues and costs are recognized on the basis of the stage of completion of contract activity at

the reporting date. Therefore, the fundamental concern in construction contract accounting is the distribution of contract revenue and costs to the accounting periods in which construction work is carried out.

- ii) **AS 10 "Property, Plant and Equipment" (PPE):** AS 10 deals with the accounting treatment for PPE so that the users of financial statements could recognize and appreciate the information about the investment made by any organization in PPE & also understand the changes made in such investments. As per the standard, depreciation charge for every period must be recognized in the Income and Expenditure Statement & depreciable amount of any asset should be allocated on a methodical basis over the useful life of the asset. Depreciation should be charged using block of asset method on opening WDV and additions made to fixed assets during the year at the rates prescribed in the Income Tax Act, 1961. Depreciation on assets sold is not calculated till the date of disposal. Realized value of assets sold is deducted from value of assets.

According to the information and explanation given to us, physical verification of fixed assets on test basis has been conducted by the university, the detailed verification will be conducted in current year. However, we relied on the same, and if any discrepancies arise out of such verification the said will be passed in next financial year once the physical verification is completed.

- iii) **AS 5 "Prior period Items":** AS 5 suggests that the nature and the relevant amount of prior period items should be declared separately in the profit and loss statement. Further it should be done in such a way that their implications on the current period's profit and loss can be clearly understood. It is difficult task to ascertain exact amount of Prior period expenses and income. Sample instances identified during audit are reported separately to management by way of management report.
- 2) **Delay in Finalization of Books of Accounts:** As per section 135(2) Annual Accounts & Audit of Maharashtra Public Universities Act, 2016, the Statutory Audit should be completed within four months from the end of the financial year. As per the Maharashtra Universities Account Code (Clause No 3.57), it shall be the responsibility of Accounts and Finance Section to prepare Income & Expenditure in Appendix-VI, Trial Balance and Balance Sheet in Appendix V before 31 July every year.
- 3) **Claim of Salary Grant with Government of Maharashtra (GOM):** It is observed that, there is pendency in receipt of salary grants & other reimbursements from GOM against the approved posts, till receipt of such grants from GOM, university fund is utilized. The total outstanding with the GOM is Rs. 4423.40 lakhs as on 31-03-2022. In absence of assessment of salary grant by the GOM, the amount is increasing by year on year. In view of uncertainty, university has made a provision of Rs. 396.5 lakh during the previous year and total provision stands at Rs. 2783.97 Lakhs. Grant Received during the year is Rs. 15.07 Lakhs.
- 4) **Balance Confirmations:** As per Standard on Auditing 505, Practice of obtaining balance confirmation & reconciliation with books of accounts pertaining to suppliers, Customers, Employees, Colleges and Students needs to be followed. A periodic review system should be in place to reconcile all such accounts.

Management's Responsibility for the Financial Statements:

Management is responsible for the preparation of financial statements that give a true and fair view of the financial position in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the University and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making

judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

That management Council is also responsible for overseeing the University's reporting process. This responsibility includes the designing, implementation and maintenance of internal control relevant for preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on financial statements based on audit. We conducted audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require compliance with ethical requirements and to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an internal control relevant to in order to audit procedures that are appropriate in the circumstances. We are also responsible for expressing our opinion on whether the University has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the overall, presentation, structure and content of the financial statements; including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Communication with Those Charged with Governance:

We have communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due

to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Emphasis of Matter:

Emphasis of Matter Paragraph refers to a matter presented or disclosed in the financial statements that, in the auditor's judgment, is of such importance that it is fundamental to users' understanding of the financial statements. The internal needs to be strengthened so as to make them commensurate with the size of the and the nature of its activities, some areas for improvement:

- a. Schemes like NSS, Earn & Learn etc. regularized through colleges are required to be strengthen in view of vouchers and maintenance of records and timely submission of claims to university.
- b. Statutory regulations shall be complied timely to avoid penalties and litigation.
- c. Strengthening of Internal Communication between various Departments with Accounts Department.
- d. Other control Measures like Internal Audit, SAP Training, Upskilling of workforce etc.

Report on Other Legal and Regulatory Requirements

- a. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b. In our opinion proper books of account as required by law have been kept so far as it appears from our examination of those books except for the qualifications issued.
- c. In our opinion the Balance Sheet and the Income and Expenditure Account dealt with by this report comply with the requirements of the Maharashtra Public Universities Act, 2016.
- d. The Balance Sheet and the Income and Expenditure Account dealt with by this report are in agreement with the books of accounts.

Auditors Opinion -

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion Report, the financial statements give the information required by the University Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India: -

- i. In the case of the Balance Sheet, of the statement of affairs of the University as at 31st March 2022; and
- ii. In the case of the Income and Expenditure account, of the **Deficit** for the year ended on 31 March 2022.

We would like to record our appreciation for the co-operation extended to us by the management and staff during our audit review.
