TYBA (ECONOMICS)

REVISED SYLLABUS (W.e.f. June 2009)

Economics S3

- a) Paper /Course No. - Special Paper – 3
- b) Paper/ Course Title – “**Research Methodology for Economics**”

Section – I

Module 1-	Scientific Method & Research	Periods- 15
1.1	Research Methodology – meaning, nature importance, limitations	
1.2	Science and type of science scientific method – characteristic of scientific method.	
1.3	Meaning & definition of social research	
1.4	Characteristic of Social Research	
1.5	Significance of Economic Research	
1.6	Types of Social Research	

1.7 Steps in Social research

Module – 2 Formulation of Problem in Social Research

Periods – 13

2.1 Meaning – Formulation of Problem

2.2 Factors in Formulation of Problem

2.3 Process of Problem Formulation

2.4 Essential conditions to formulation problem

Module – 3 Hypothesis

Periods – 12

3.1 Definition of meaning of hypothesis

3.2 Characteristic of Hypothesis

3.3 Sources of Hypothesis

3.4 Importance of Hypothesis

Module – 4 Research Design

Periods – 12

4.1 Meaning and definition of research Design

4.2 Types of research Design

4.3 Objectives of research Design

4.4 Characteristic of research design

4.5 Essential of research Design

Section II

Module – 5 Sampling Technique

Periods - 12

5.1 Meaning and Nature

5.2 Basic Principles of sampling

- 5.3 Types of sampling
- 5.4 Merits and Demerits of sampling
- 5.5 Process of sampling

Module – 6 Data Collection and Interpretation of data

Periods – 16

- 6.1 Meaning, Methods, sources
- 6.2 Data collection – Importance of collection of data
- 6.3 Techniques of Data Collection
 - a. Observation – Meaning, Types advantages and disadvantages
 - b. Interview – Meaning process, Classification merits and Demerits
 - c. Questionnaire – Meaning, Types process, merits and demerits.
- 6.4 classification – coding & tabulation of data.
- 6.5 Interpretation of data

Module – 7 The Research Report

Periods – 12

- 7.1 Meaning of Research report
- 7.2 Objectives of research report
- 7.3 Contents of research Report
- 7.4 Difficulties in Report writing
- 7.5 Significance of Research Report

Module – 8 Computer Applications in Research

Periods – 12

- 8.1 Introduction – Meaning of Computer
- 8.2 Nature of computer
- 8.3 Structure Types

8.4 Characteristic of computer

8.5 Uses of Computer in resarch

- a) Paper /Course No. Eco S 4 (- Special Paper – 4)
 - b) Paper/ Course Title – “**International Trade and Practices** “
 - c) Objective of the paper –
 - 1) To make student familiar with the basic theories of International trade & principles.
 - 2) To enable the student to understand objectives & working of the International Institution.
-

Section – I

Module 1- International Trade & Trade Theories Periods- 14

- 1.1 Meaning & scope of international economics
- 1.2 Importance of the study of International economics
- 1.3 Inter-regional and international trade – meaning similarity & difference.
- 1.4 International trade & economic development
- 1.5 Theories of international trade – absolute cost advantage, comparative cost advantage and Heckscher ohlin theory

Module – 2 Gains from International trade & trade policy Periods – 14

- 2.1 Gains from trade – meaning, factors influencing the gains from trade – measurement of gains from trade.
- 2.2 Terms of Trade – Meaning, factors influencing terms of trade, Reasons for the unfavorable Terms of Trade of Underdeveloped countries, suggestion to improve the terms of trade.
- 2.3 Trade Policy – a)Free Trade policy – Meaning , Arguments for and against.
 - b) Protection policy – Meaning, Arguments for and against, Methods of Protection.

Module 3 - Balance of payments and the rate of exchange Periods – 13

- 3.1 Balance of trade & balance of payments – current account and capital account – importance of BOP – causes of disequilibrium in balance of payments and measures for correcting of disequilibrium.
- 3.2 Foreign Exchange rate – Meaning determination of foreign exchange rate, causes of fluctuation in exchange rate, purchasing power parity theory balance of payments theory.
- 3.3 Fixed exchange rate & flexible or floating exchange rate – Meaning, Merits & Demerits

Module – 4 Foreign Exchange Control

Periods – 11

- 4.1 Meaning & Objective of exchange control
- 4.2 Methods of exchange control
 - A] Direct Method
 - B] Indirect Method
- 4.3 Demerits of exchange control

Section – II

Module – 5 International Capital Movement and Multinational Companies. Periods – 14

- 5.1 International capital movement – meaning classification factors influencing capital movement
- 5.2 Foreign Direct Investment – Significance & demerits of FDI
- 5.3 The multinational Companies – meaning, reasons for the growth of multinational companies – Role of MNC's in developing countries.

Module – 6 Institutions of International Co-Operation.**Periods- 14**

- 6.1 International Monetary fund (IMF) - Objectives, Functions & working, critical appraisal of IMF's performance.
- 6.2 International bank for Reconstruction and development (IBRD) – Objectives – functions working, critical appraisal of IBRD's performance.
- 6.3 World Trade Organizations – Functions, Advantages and Disadvantages to India.

Module -7 Devaluation and Convertibility of Rupee**Periods – 13**

- 7.1 Devaluation – Meaning and Objectives.
- 7.2 Devaluation of India's Rupee (1949, 1966 & 1991) causes & effects of 1991 devaluation.
- 7.3 Convertibility of Rupee – Partial & Full Convertibility – convertibility of rupee on current & capital account.

Module- 8 Eurocurrency (Eurodollar Market)**Periods – 11**

- 8.1 Euro market – meaning – origin – growth
- 8.2 General Features of Euro Market
- 8.3 Recent Development and future prospects.
- 8.4 Eurocurrency market and Developing Countries.

-

Section – I

Module -1 Evolution of Modern Banking Periods- 13

- 1.1 Evolution and meaning of Bank
- 1.2 Structural Classification of Bank
- 1.2.1 Unit Banking
- 1.2.2 Branch banking
- 1.3 Functional Classification of Banks.
- 1.3.1 Commercial Banks
- 1.3.2 Development Banks
- 1.3.3 Merchant Banks

Module – 2 Commercial Banks Periods – 13

- 2.1 Meaning of commercial banks
- 2.2 Credit Creation & Limitations
- 2.3 Modern functions of commercial Banks.
- 2.4 Defects of banking System
- 2.5 Recent reforms in Banking System
- 2.6 Role of Commercial Bank in economic development of India

Module – 3 Reserve Bank of India Periods – 12

- 3.1 Evolution of RBI
- 3.2 Functions of RBI
- 3.3 Credit Control
 - 3.3.1 Quantities Measures
 - 3.3.2 Qualitative Measures

Module – 4 e-Banking

Periods – 14

- 4.1 Meaning of e-Banking
- 4.2 Emergence & Development of e-Banking
- 4.3 Electronic Banking Services
 - 4.3.1 Electronic payment system
 - 4.3.2 ATM
 - 4.3.3 Phone & Tel. Banking
 - 4.3.4 Internet banking
 - 4.3.5 Core Banking
- 4.4 Benefits of e-Banking to Customer and to the banks.

Section – II

Module – 5 Indian Money Market

Periods – 12

- 5.1 Meaning & importance
- 5.2 Structure of – Money Market
- 5.3 Instruments of Money Market
- 5.4 Recent trends in Money Market
- 5.5 Role of Money Market in the Indian economy

Module- 6 Capital Market in India

Periods – 14

- 6.1 Meaning of Capital Market

- 6.2 Features of Capital Market
- 6.3 Instruments of Capital Market
- 6.4 Sub- market
 - 6.4.1 Share Market
 - 6.4.2 Bond market
- 6.5 Primary and secondary markets
- 6.6 Role of SEBI in capital market
- 6.7 Recent trends in capital market.

Module – 7 Co-Operative and Rural Banking

Periods – 14

- 7.1 Role of Co-operative and Rural Bank in India
- 7.2 Structure of Co-operative Banks
- 7.3 Development of Co-operative Banks
- 7.4 Problems of Co-operative Banks.
- 7.5 Regional Rural Banks
 - 7.5.1 Progress
 - 7.5.2 Problems
- 7.6 NABARD
 - 7.6.1 Objectives
 - 7.6.2 Functions
 - 7.6.3 Problems

Module – 8 the foreign Banks I India

Periods – 12

- 8.1 Meaning of foreign Banks
- 8.2 Importance of F.B.S.

8.3 Performance and progress

8.4 RBI controls over the FBS
